

Steamworks is looking for the right individual to join our Brewing/Cellar department. The successful applicant will have a positive attitude, previous brewing experience, a strong work ethic, and a drive for maintaining quality and efficiency. This is a full time position, and compensation will be competitive with local industry standards. There is ample opportunity for learning and growth within the company. If you are interested in working alongside great people, brewing world class beer, and being part of a growing craft brewery, we look forward to hearing from you!

### **Duties and Responsibilities**

- Perform brewing and quality control processes; should be well versed in brewing, cellar and packaging operations
- Complete cellar operations including centrifuging, tank transfer and sanitation procedures
- Operate equipment both manually as well as through control panels to produce beer and process into bottles, cans, and kegs
- Observe processing conditions and make adjustments to variables such as mash times, ingredients inputs, flow rates and temperature settings
- Check products to ensure conformance to company standards
- Assist in the Laboratory when required
- Perform and maintain regular preventative machine maintenance
- Clean machines and immediate work areas
- Conduct quality control assessments
- Adhere to all safe work practices and guidelines
- Develop and Implement SOPs
- Assist with packaging when and as needed
- Assist with deliveries & warehouse storage when needed

### **Education and Experience Required**

- Post-Secondary Degree
- Brewing Diploma an asset
- Brewing experience is required
- Knowledge and experience in all aspects of Brewing and Brewery Production

### **Other Required Skills**

- Driven, self-motivated & task-orientated with strong attention-to-detail
- Ability to make judgement calls independently when needed
- Strong logistics, record keeping and time management skills
- Outstanding team player with excellent work ethic
- Ability to multitask and strong time management skills
