About Stanley Park Brewing:

The Stanley Park Brewing legacy dates back to 1897 when our namesake brewery was established in Stanley Park. In 2009, we introduced a new generation of beer drinkers to this storied brand with the launch of Stanley Park 1897 Amber.

Today, our beer portfolio offers our interpretation of some of the world's great beer styles which, like the Park itself, enables connections with friends, family and the world around us.
