

Hoyne Brewing Company is looking for a Distribution and Warehouse Manager in Vancouver. We are a small craft brewery located in Victoria BC, with a passion for brewing and sharing great beer. We pride ourselves on quality, exceptional service, and on making a connection with our customers.

We're looking for a self motivated team player with exceptional communication, organizational, and leadership skills, and a proven track record in logistics. The ideal candidate has experience in warehousing and distribution in the craft beer industry, knows how to operate a forklift, and has a thorough geographical understanding of the lower mainland. Experience driving large trucks and forklifts is an asset, and a love of craft beer is a must!

Job description:

The Distribution and Warehouse manager is responsible for:

- Inventory management
- Efficiently organizing and dispatching beer deliveries
- Shipping/receiving product between the mainland the island
- Keeping a safe and organized warehouse
- Vehicle fleet maintenance
- Administrative duties using Google Sheets and Office 365
- Creating weekly and monthly reports
- Road and warehouse safety and compliance
- Maintaining a positive and team oriented work culture

Job requirements:

- Valid class 5 Driver's License
- English proficiency
- Ability to safely lift over 100lbs
- Forklift experience
